Conquer Your Data – Lessons In Delivering Real Impact For Your Hotel

Date	Time	Location
March 5, 2020	11:00 - 11:30	Hall 6.1, eTravel Stage

- In an ever-evolving digital landscape, today's hotelier must mine through more data than ever to understand how to activate their data and see a real impact on their business.
- Join us as we share examples of hoteliers who are conquering these problems in both the marketing and revenue management disciplines.
- Think personalization, loyalty, data modeling, gaming, digital personas, middleware, connectivity...all at your fingertips and ready for the taking
