Multi-Platform-Network In Travel – Digital Enablers And Travel Of The Future

Date	Time	Location
March 6, 2020	11:00 - 11:20	Hall 7.1b, eTravel Lab

- The “Multi-Platform-Network approach” illustrates the aim to take Amadeus’ core assets along the journey, introduce new platforms and connecting them systematically to create the digital operating system of travel.
- The goal is to create a digital seamless travel experience for the traveler by enabling the travel industry through a connected ecosystem of technology platforms and a partnership eco-system leading to a self-enforcing network effect mechanism.
