

## Malte Hannig

Malte Hannig is Supervising Senior Affiliate Manager at the digital marketing agency xpose360. As an enthusiastic backpacking traveller, he looks after several clients in the travel industry.

During his studies of information-oriented business administration at the University of Augsburg, he acquired profound knowledge in the field of marketing, especially digital media. Between his studies and starting his career, he did voluntary work in Buenos Aires in the field of PR for a medical foundation.

In his previous jobs, Malte Hannig worked in cross-media publishing for publishers, helped to build online shops and gained experience in SEO, so that today he is completely at home in the world of online marketing.
