

ITB BERLIN CONVENTION PROGRAM 2020

ITB
BERLIN

The Leading
Travel Industry
Think Tank
CONVENTION

Christian Schwarz Lausten

Airbnb for Business' launched in 2014 to make it easier to travel for work without sacrificing the comforts of home. Now branded as 'Airbnb for Work,' more than 500,000 companies around the world are directly engaged with Airbnb to help manage their travel. In addition to business travel, Airbnb offers other unique attributes -- like Experiences for team building, unique spaces for meetings and offsites, and long-term stays for relocations -- to help companies with recruitment, retention, alignment, engagement, productivity, and satisfaction.
