Nishank Gopalkrishnan

Nishank is the Chief Business Officer at Musement, a TUI group company. He leads strategic distribution partnerships for Musement/TUI Destinations Experiences with global travel & leisure companies. He joined the Musement team with the acquisition of his startup, Triposo in 2017.

A computer engineer & MBA by education, Nishank's previous experience includes heading Marketing for the European business of MakeMyTrip, India's largest OTA and being part of the founding team at BigRock.com, India's #2 Domain Registrar & Web Hosting company. Fun fact, Nishank has worked for 5 companies so far and 4 of them have been acquired!
