

Ivana Kolar

Ivana is a business consultant in the field of business strategy, investments' project management and new value development. For many years, she was the CEO of Terme Tuhelj, the largest thermal and medical spa resort in Croatia. She has a significant role in fostering the development of year-round tourism in Croatia and setting standards of the Croatian spa/wellness offer. She is also organiser of the platform and annual conference "Croatian Tourism 365". Ivana actively participates in numerous professional associations for the development and promotion of tourism in Croatia. In 2011 she was awarded as the "Manager of the Year".
