

# ITB BERLIN CONVENTION PROGRAM 2020

**ITB**  
BERLIN

The Leading  
Travel Industry  
Think Tank  
CONVENTION

## Event Details

### World Economic Outlook 2019 And Beyond

Date	Time	Location
March 6, 2019	14:00 - 14:45	CityCube Berlin, Auditorium A4/A5

The development of the global economy is an important factor which influences tourism demand in the business and leisure travel segment. What will be the future economic development in the most important industrial countries and emerging markets? What is the influence of the many current geopolitical conflicts? What is the influence of the financial markets and currency crises? What are the effects on consumer and tourism demand? The President of the ifo Institute presents and comments on the latest data and offers forecasts for global economic development.

Brexit CEO Geopolitics Customer behavior Studies Trend World economy
