

## Ben Jost

Benjamin co-founded TrustYou in 2008 and is the chief executive officer. Prior to TrustYou, he spearheaded the Southern European M&A team for one of the world's leading renewable energy providers and oversaw hundreds of investment cases covering a profusion of renewable technologies. He started his career in venture capital at Siemens Venture Capital and Xange Capital. During his studies, he conducted extensive research into the security aspects of mobile application systems and organic RFID. Benjamin holds an MSc in engineering from the University of Technology in Munich and conducted research at the ENST Paris and the University of Washington Business School, Seattle.
