

Tim Schwichtenberg

Tim Schwichtenberg, born in Berlin in 1989, studied International Business Management and Innovation Management in Berlin and Mexico. After graduation, he worked as Business Development Manager for scaling consulting services and projects at Axel Springer by Transformationsberatung. Through the implementation of numerous customer projects for agencies, family-owned and Dax30 companies, he gained experience in building digital business models. Since September 2019 Tim has been working as a Senior Investment Analyst and is responsible with his colleagues for deal flow, the evaluation of digital business models, teams and market trends as well as for the implementation of investment processes. The company evaluates and invests for the Group in strategically suitable start-ups in the areas of mobility, logistics, Smart City, Internet of Things, Artificial Intelligence and Big Data. The focus is on Europe, the USA and Israel with ticket sizes of 1m-5m EUR per investment.
