

Christian Fadi El-Khoury

Christian Fadi El-Khoury is managing partner and head of consulting at the International Patient Service - Germany (IPS-Germany). IPS-Germany is a former subsidiary and now wholly owned brand of the MESC International Patient Service GmbH, the first and oldest medical tourism facilitator in Germany (est. 1983). Based out of Wiesbaden, the company provides comprehensive advisory services for hospitals, health tourism agencies, municipalities and regional clusters around the globe regarding strategy, international patient management, marketing, and business development. A special focus of his work revolves around compliance, financial crime and ethical considerations in medical tourism.
